

How This Works

This is a simple two-path system.

Affiliates sell without touching stock. They find the customer, make the introduction, and Lumey handles delivery and installation. The affiliate gets paid a percentage of the sale. No inventory risk, no capital needed, no warehouse. Just hustle and a phone.

Distributors buy stock from Lumey at wholesale prices, sell at retail, and keep the difference. They have showrooms (or even just a shop corner), handle local deliveries, and may offer installation. More investment, more margin, more control.

That is it. Two paths. Pick one or do both.

Targets for Affiliates and Distributors

Targets must be realistic for the Nigerian market. Nobody hits N50M in their first quarter.

Affiliate Sales Targets

Tier	Monthly Target	Yearly Target	What That Means in Sales
Starter	N250,000 revenue	N3M revenue	~1 Powerbox 2100 per week
Active	N750,000 revenue	N9M revenue	~3 Powerbox 2100s per week
Pro	N2M revenue	N24M revenue	~8 Powerbox 2100s per week
Ambassador	N5M revenue	N60M revenue	~20 Powerbox 2100s per week

These are revenue targets, not commission. A Starter affiliate hitting N250K in sales at 5% commission earns N12,500 that month. An Ambassador at N5M in sales at 12% earns N600,000. The math should excite people.

Distributor Sales Targets

Tier	Monthly Stock Order	Quarterly Sales Target	Minimum Stock on Hand
Authorized Reseller	N500,000	N2M	N750,000 worth
Regional Distributor	N2M	N10M	N3M worth
Master Distributor	N5M	N30M	N8M worth

Distributors must reorder stock at least monthly. If a distributor has not placed an order in 60 days, their territory opens to new applicants. No hard feelings just business.

How Targets Are Set

- Every partner agrees on their target in writing during onboarding. It is not imposed — it is negotiated. A student in Ibadan cannot have the same target as a shop owner in Lekki.
- Targets are reviewed monthly for affiliates and quarterly for distributors. If a partner consistently exceeds the target by 25% or more, their target goes up and their commission rate goes up too.
- If a partner misses the target two months in a row (affiliates) or one quarter (distributors), they get a support call, not a warning. Find out what is blocking them and fix it.

Onboarding via WhatsApp

The Setup

- Create one WhatsApp Channel named Lumey Energy Partners. This is the broadcast channel for announcements, new products, campaign materials, and motivation. Partners join by link and receive a post notification
- Create separate WhatsApp Groups for each tier or region. Affiliates Lagos, Affiliates Abuja, Distributors South-West, etc. These are for conversation, partners ask questions, share wins, post screenshots of sales, and support each other.
- I and Able will be the admin on the Group,

Response time target: 2 hours during business hours, next morning for evening messages.

Onboarding Steps for New Affiliate

0. **First Contact** — They DM the Lumey business WhatsApp number or get referred by an existing partner.
1. **Quick Chat** — A 10-minute voice note or call. Who are you? Where are you? How do you plan to sell? What is your audience?
2. **Add to Group** — They are added to the appropriate affiliate WhatsApp group and the main Partners Channel.
3. **Send Starter Pack** — Via WhatsApp: product catalog PDF, price list, 5 ready-to-post images, a short product video, and their unique referral code.
4. **First Training** — A 30-minute Zoom or Google Meet call within 48 hours. Walk them through the products, answer questions, and show them how to track sales. Recorded for those who miss it.

5. **First Week Check-in** — Personal WhatsApp message on day 7: How is it going? Any questions? What do you need?

Onboarding Steps for New Distributor

6. **Application** — They call or WhatsApp expressing interest. A brief form (name, business name, location, proposed showroom address, estimated first order size).
7. **Site Visit(If required)** — Lumey rep visits their location within one week. Checks the space, discusses the arrangement, and verifies they are serious.
8. **Deposit** — 50% deposit on first stock order. No exceptions for first-timers.
9. **Add to Groups** — Added to distributor WhatsApp group and main Partners Channel.
10. **Training Day** — One-day in-person?online training at their location or they come Lumey hub. Product knowledge, installation basics, sales scripts, warranty process. They must pass a short quiz.
11. **Stock Delivery** — Delivery within 7–14 days. Lumey rep helps with showroom setup and display arrangement.
12. **Go-Live Week** — Lumey rep checks in daily for the first week. Joint customer visits if needed.

Ongoing WhatsApp Rhythm

- Partners Channel (broadcast): Daily at 9am. One post could be a product tip, a customer testimonial, a motivational quote, or a new campaign asset. Consistency builds habit.
- Affiliate Groups: Active daily. Partners share wins, ask questions, and post content they created. The energy is contagious. When one person posts a sale screenshot, everyone else gets motivated.
- Distributor Groups: Weekly check-ins. Stock updates, delivery schedules, market feedback. Monthly stock reorder reminders.
- Monthly Voice Note from Leadership: A 2-minute voice note from the Lumey MD or Head of Sales, personally thanking top performers and announcing what is coming next month. Small gesture, huge impact.

Empowering Partners: Materials

Digital Pack (Sent via WhatsApp/Google Drive)

- *Product Images: Professional photos of every Powerbox model from multiple angles. Clean white background and lifestyle shots (in a home, in a shop, on a desk). At least 20 images per model.*
- *Product Videos: 30-second demos showing the product in use. A 2-minute comparison video (Lumey vs generator noise test). Customer testimonial videos (real people, real homes).*
- *Price List: One-page PDF with all retail prices, installment options, and what each model can power. Updated monthly.*
- *Ready-to-Post Content: 30 pre-written social media posts per month, delivered as a WhatsApp message with the image attached and the caption in the text. Partners copy, paste, post. Takes 30 seconds.*
- *Testimonial Graphics: Branded quote cards with real customer reviews. Five new ones every week.*
- *FAQ Sheet: One-page document answering the 20 most common customer questions. Partners save this on their phone and copy-paste answers.*
- *Comparison Sheet: Lumey vs generator vs inverter — features, cost over 5 years, noise level, maintenance. Use this to close hesitant buyers.*

Physical Pack (For Distributors)(They will pay for it if they need it)

- Branded T-Shirt and Cap: For the distributor and their team.
- Product Brochures: A4 tri-fold, full color, with specs, pricing, and QR code to order. 500 copies per quarter.
- Roll-Up Banner: For events and showrooms. 2m x 85cm. Professional design with product images and key benefits.
- Branded Receipt Book: Numbered receipts for every sale. Builds trust and professionalism.
- Demo Unit: One fully charged Powerbox kept in the showroom running a fan and light. Let customers see it working, hear the silence, feel the cool air. Nothing sells better than experience.

Monthly Content Drop

On the first of every month, all partners receive a Content Drop via the WhatsApp Channel. This includes:

- The campaign theme for the month (e.g., No Fuel May).

- 30 ready-to-post social media graphics (one per day).
- 5 WhatsApp broadcast message templates.
- 2 video scripts they can film with their phone.
- A price promotion or bundle offer exclusive to that month.
- A success story from another partner to inspire the group.

Educating Partners

A partner who does not understand the product cannot sell it confidently. Education must be simple, regular, and practical.

Product Knowledge Training

- Session 1 — Powerbox 550: Who it is for (students, single rooms, small shops). What it powers (phones, laptops, fans, router, small TV). Price point. Installment options. 30 minutes.
- Session 2 — Powerbox 1200: Who it is for (small families, 1-2 bedroom homes). What it powers (TV, fan, fridge, lighting, multiple devices). The most popular model. Why it sell best? 30 minutes.
- Session 3 — Powerbox 2100: Who it is for (families, 3-4 bedroom homes). What it powers (full home, AC, washing machine). The premium option. 30 minutes.
- Session 4 — Powerbox 4000 and above: Commercial use. Hotels, schools, clinics, churches. Project-based selling. Pricing by quote. 45 minutes.
- Session 5 — The Money Conversation: How to talk about price. How to handle I cannot afford it. How to explain installment plans. How to show 5-year savings vs generator. Role-play practice. 45 minutes.

Ongoing Education

- Weekly Product Tip: Every Monday in the WhatsApp Channel — one product feature explained simply. Example: Did you know the Powerbox 1200 can charge from NEPA while also powering your devices? This is how you explain it to customers.
- Monthly Webinar: One-hour live session. Product updates, market trends, sales techniques. Recorded and shared in the group for those who missed it.
- Quarterly Workshop: Full-day in-person session in Lagos, Abuja, PH, Kano, and Ibadan. New product demos, advanced sales training, networking, and a shared meal. Top performers share their secrets.

- New Product Launch Training: Before any new product hits the market, partners get a 48-hour early briefing with training materials, demo videos, and early-bird pricing.

Engagement Model

Partners are not employees — they are business owners who chose to work with Lumey. Treat them like family, not like subordinates. Engagement must feel human, not corporate.

Daily Engagement

- 9am Morning Post in Partners Channel: Product tip, testimonial, or motivational message. Sets the tone for the day.
- Active Group Chats: Partners post wins, ask questions, share content. The Lumey admin responds quickly, celebrates publicly, and redirects privately when needed.

Weekly Engagement

- Monday — Motivation Post: A success story, a partner spotlight, or a reminder of the weekly sales target.
- Wednesday — Mid-Week Check: A poll in the group. How many sales so far this week? What is your biggest challenge? Quick responses, quick help.
- Friday — Win of the Week: Screenshot of the biggest sale, most creative post, or fastest new partner sale. Public recognition in the group.

Monthly Engagement

- Monthly Scorecard: Sent on the 5th of each month. One page — green/yellow/red. What went well, what needs work, what is the focus for next month.
- Top 5 Leaderboard: Posted in the Partners Channel. Names and sales numbers. Public recognition drives competition.
- One-on-One Call: Every Pro and Ambassador affiliate, every Regional and Master distributor gets a 15-minute personal call once a month. How are you doing? What do you need from us?

Quarterly Engagement

- Quarterly Business Review (QBR): Formal 1-hour meeting with each distributor. Review numbers, set next quarter targets, discuss support needs. Documented and signed by both sides.

- Partner Meetup: In-person gathering in each region. Product demos, sales training, food, and networking. Top performers give 5-minute talks on what is working for them.

Annual Engagement

- Lumey Partner Summit: One-day event in Lagos. All top-performing partners invited. Awards, training, new product reveals, and a party. Partners who hit annual targets get all-expenses-paid travel. This becomes the event everyone wants to qualify for.

Reward System

Money is the main reward, but it is not the only one. Recognition, status, and exclusivity keep partners loyal when someone else offers a higher commission.

Financial Rewards

- Monthly Bonus: Any partner who exceeds their target by 25% or more gets a cash bonus — N10,000 for affiliates, N50,000 for distributors.
- First Sale Bonus: Every new affiliate gets N5,000 extra on their first confirmed sale. Gets them excited early.
- Referral Bonus: Any partner who brings in a new active partner (someone who makes at least 3 sales) gets N10,000.
- Quarterly Volume Rebate: Distributors who order above their quarterly minimum get 2–5% credit on their next order.
- Fast Payment Discount: Distributors who pay within 7 days of invoice get an extra 2% discount. Encourages cash flow discipline.

Non-Financial Rewards

- Partner of the Month: Featured across all Lumey social media channels. Branded certificate sent via WhatsApp. Their story shared in the Partners Channel.
- Early Access: Top partners get new products 2 weeks before public launch. They create buzz before anyone else.
- Co-Branded Campaigns: Top 5 partners per quarter get their name and face on Lumey's official marketing. Personal brand growth.
- Free Product: Any affiliate who sells 50 units gets a free Powerbox 550 for personal use. Any distributor who hits N10M in annual sales gets a free Powerbox 2100 for their home or office.

- **Priority Support:** Pro affiliates and Regional distributors get a dedicated phone line that rings directly to a senior team member.
- **Annual Summit Invite:** Partners who hit 80% of annual target get invited to the Lumey Partner Summit — travel, hotel, meals covered. The room is full of winners. Everyone wants to be in that room.

Multiple Purchase and Discount Plans

Smart pricing drives bigger orders. These plans are designed to increase average order value while giving customers real savings.

These discounts are applied as credit notes toward the next order, not cash refunds. Keeps distributors ordering.

Seasonal Promotions

- **Black Friday (November):** 10% off all Powerbox models. Distributors get an extra 5% wholesale discount to protect their margin.
- **Back to School (August):** Student discount — N20,000 off Powerbox 550 with valid student ID.
- **Mothers Day (May):** Free LED bulb set with every Powerbox 1200 or above.

- End of Year (December): Buy Powerbox 2100, get N30,000 voucher toward solar panel upgrade.

Loyalty Program for Customers

- Every customer who registers their warranty gets a Lumey Loyalty Code. When they refer a friend who buys, both get N10,000 voucher. This turns every customer into a potential affiliate. Distributors can offer this at point of sale.

Credit Terms — Products Before Full Payment

This is the most sensitive part of the business. Nigerians trust slowly. Many customers want the product first and payment later. Lumey must have clear, enforceable terms that protect both the partner and the company.

Customer Installment Plan (Via Distributors)

Distributors can offer installment plans to customers, but Lumey gets paid in full upfront. The distributor carries the credit risk. This keeps Lumey's cash flow healthy while letting distributors build their own customer financing business.

- 30% upfront deposit minimum. No product leaves the showroom without 30% paid.
- Maximum 3-month installment term. No exceptions. Longer terms create collection nightmares.
- Distributor must collect customer BVN, government ID, and two references before releasing the product.
- The distributor holds the warranty card until final payment is made. Customer gets full warranty only after clearing the balance.
- If the customer defaults, the distributor is responsible for recovery. Lumey does not get involved in customer debt collection.

Distributor Credit from Lumey

Lumey can extend limited credit to proven distributors. This is how you scale — but manage the risk carefully.

- New Distributors: No credit. 50% deposit, 50% on delivery. First 3 orders must be cash.
- After 3 successful cash orders: Net-15 available (pay within 15 days of delivery). Maximum credit: N500,000.
- After 6 months of on-time payments: Net-30 available. Maximum credit: N2M.

- After 12 months + N10M in total orders: Revolving credit line up to N5M.
- Late payment penalty: 2% per week after due date. Two late payments in 6 months = credit suspended for 3 months.
- Lumey holds a post-dated cheque or bank guarantee for the credit amount. If payment is late, the cheque is deposited.

Affiliate Commission Advance

Sometimes an affiliate needs cash before the monthly payout — maybe for an emergency or to invest in advertising.

- Pro and Ambassador affiliates can request an advance of up to 50% of their confirmed but unpaid commissions.
- The advance is deducted from their next payout. No interest, no fees.
- Maximum one advance per month. Only available to partners with 6+ months of consistent sales history.

The Golden Rule

Never release physical product to a new customer or distributor without at least 30% deposit and verified identity. Generosity builds relationships, but clear terms protect the business. Every partner must sign and acknowledge these terms during onboarding.
