

OFFICIAL COMMERCIAL EXECUTION BLUEPRINT

LUMEY ENERGY

AFFILIATE & DISTRIBUTOR

DELIVERABLES ROADMAP

The Complete Master Inventory, Technical Specifications, Marketing Asset Requirements, and Phased Implementation Plan to Operationalize Lumey’s Nationwide Decentralized Power Network.

Target Market:

Nigeria (36 States + FCT)

Catalogue Edition:

August 2026 Official Pricing Guide

Operating Headquarters:

Oyemekun, Akure, Ondo State

Regional Hubs:

Lagos, Abuja, PHC, Kano, Ibadan

Strategic Intent: Transition Lumey Energy from high-level strategic frameworks into tangible commercial tools, legally protected contracts, plug-and-play sales assets, and automated tracking infrastructure to capture the decentralized power market.

OVERVIEW

1. The Two-Path Commercial Architecture

Nigeria's energy crisis has intensified: PMS (petrol) floats between **₦1,000 and ₦1,250+ per litre**, and Band A electricity tariffs exceed **₦209–₦225/kWh**. Nigerian households, professionals, and shop owners are demanding immediate, quiet, zero-fuel alternatives.

The Affiliate Track ("Zero Capital, 100% Hustle")

Designed for university students, NYSC corpsers, remote tech professionals, digital creators, and social media influencers.

- **Capital Requirement:** ₦0 (Zero Capital, no registration fee).
- **Inventory Risk:** Zero. Lumey warehouses, insures, and ships all products.
- **Earnings:** 5% to 12% cash commission paid weekly every Tuesday.
- **First-Sale Incentive:** Instant ₦5,000 cash bonus on first closed order.

The Distributor Track ("Capital, Inventory, Retail")

Designed for electrical shops, solar installers, estate facility managers, and electronics retailers with physical storefronts.

- **Capital Requirement:** Minimum ₦500,000 opening inventory order.
- **Gross Margins:** 15% to 22% upfront wholesale discount.
- **Territorial Protection:** Exclusive LGA or Statewide distribution rights.
- **Quarterly Rebates:** Additional 2% to 7% credit notes for volume targets.
