

LUMEY ENERGY NIGERIA

MASTER SALES COPY & **STRATEGIC ANGLES** FOR EVERY MODEL

The Definitive Direct-Response Blueprint: Unique Psychological Hooks, Target Personas, Tailored Problem Agitations, Load Performance Runtimes, Fuel ROI Equations, and Objection Destroyers for all 8 Models in the Official August 2026 Product Pricing Guide.

DOCUMENT TYPE: Complete Multi-Model Sales Copy Book

MODELS COVERED: PowerBox 600, 1500, 1900, 2600, 3100, 4000, 8000, 8000+

MARKET FOCUS: Nigeria (Band A Tariffs, ₦1,200/L Fuel, Blackouts)

PRICING SOURCE: Official August 2026 Guide

COMPLIMENTARY SUITE: Inverter Iron, Induction Cooker, Solar Fans

OFFICIAL ORDER HOTLINE: 07062878273 | +234 813 974 3177

MODEL 1: LUMEY POWERBOX 600

Box: ₦260,000 | Combo: ₦320,000 (+200W Panel)

Specs: 400W (12V) Pure Sine Wave Inverter | 600Wh Grade-A Lithium Core

Tier: Personal & Freelance Hero

Core Sales Angle: "The Remote Hustler & Career Lifeline" Never Lose a Foreign Client to NEPA

â€¢ **Target Audience:** Tech freelancers, software developers, Upwork/Fiverr contractors, remote customer service reps, university students, and POS shop operators.

â€¢ **The Deep Psychological Fear:** Getting disconnected during an international Zoom pitch or missing an Upwork milestone because NEPA struck and the phone/laptop died. Being seen as "unreliable" by foreign employers.

â€¢ **The Core Proposition:** "Your foreign tech salary or POS profits cannot depend on NEPA timetable. Get 10-12 hours of uninterrupted laptop and WiFi power in complete whisper silence for less than 2 months of generator fuel."

HERO SECTION COPY

Stop Letting NEPA Kill Your Remote Career.

600Wh of Silent Power for Laptops & WiFi.

Never apologize for a frozen screen or dropped call again. Plug and play silent power station designed for your work desk.

You are in the final round of a foreign interview or 30 minutes from a ₦500k client deadline. Suddenly, NEPA cuts light. The router blinks red. Your laptop battery is at 9%. You either spend ₦13,000 on petrol just to charge a laptop, or watch your hard-earned reputation disappear. Meet the **Lumey PowerBox 600**: unbox it, plug in your laptop and router, and stay online 24/7.

[Order PowerBox 600 on WhatsApp \(07062878273\)](#)

LOAD RUNTIME MATRIX

⚡ Laptop (60W): 10-12 Hours continuous (10 recharges)

⚡ WiFi Router (10W): 50+ Hours nonstop connection

⚡ Standing / Table Fan (45W): 12-14 Hours cool breeze

⚡ 32" LED TV + Decoder (70W): 7-8 Hours entertainment

⚡ POS Terminal & Phones: 80+ transactions & 35 recharges

⚡ Excludes: Table-top fridges, pressing irons, blenders

THE FUEL ROI MATH & OBJECTIONS

â€¢ **The Fuel Math:** Running a small "I-better-pass-my-neighbour" gen costs ₦2,000 daily (₦60,000/month). In 5 months, you've burned ₦300,000. The PowerBox 600 pays for itself in ~75 days!

â€¢ **Top Objection:** "Will it carry my table-top fridge?"

The Answer: "No. The PowerBox 600 is dedicated to work tools, fans, and entertainment. If you need refrigeration, step up to our Bestseller PowerBox 1500 (₦380k)."

MODEL 2: LUMEY POWERBOX 1500 (ðŸ™Œ) ¥ #1 BESTSELLER)

**Box: ₦380,000 | Combo: ₦500,000
(+400W Panel)**

Specs: 1kW (1,000W / 1.25kVA) Pure Sine Wave Inverter | 1500Wh Lithium Core

Tier: The Nigerian Household Sweet-Spot

Core Sales Angle: "The Generator-Killer â€" Your Table-Top Fridge Stays Cold & Your Baby Sleeps in Utter Peace"

â€¢ **Target Audience:** 1â€"2 Bedroom apartment dwellers, young married couples with babies, barbershops, hair salons, fashion designers, and chemist shops.

â€¢ **The Deep Psychological Fear:** Babies tossing and crying from heat and mosquito bites; food sweating and spoiling in warm fridges; barbers having clippers die midway through a haircut; wasting â‚¬150k monthly on fuel.

â€¢ **The Core Proposition:** "The #1 reason Nigerian homes buy a generator is to keep food cold and sleep with fans.

The PowerBox 1500 carries your table-top fridge, washing machine, blender, and fans in 100% silence with zero fuel forever."

HERO SECTION COPY

Your Table-Top Fridge Stays Ice-Cold.

Your Fans Blow All Night. Zero Fuel. Zero Noise.

The 1kW / 1500Wh smart solar generator that replaces your 2.5kVA fuel generator forever. Solves 80% of household power problems.

Why are you spending â‚¬6,000 every night on fuel just to hear a loud engine rattle outside your window? When NEPA cuts power at 1:00 AM, you shouldn't have to wake up sweating to pull a generator cord. The **Lumey PowerBox 1500** powers your table-top fridge (up to 120L), washing machine, kitchen blender, and standing fans simultaneously without a murmur.

Order #1 Bestseller PowerBox 1500 (07062878273)

WHAT IT POWERS FLAWLESSLY

✔ Table-Top / 120L Energy-Saving Fridge: 14â€"18 Hours

✔ Regular Home Washing Machine (Max 10kg loads)

✔ Home Kitchen Blender (Max 600Wâ€"700W)

✔ Lumey 300W Inverter Pressing Iron Supported!

✔ 43" Smart TV + Decoder + 2 Standing Fans: 16â€"20 Hours

✔ Full Barbershop Suite (Clippers, Ring Light, TV, Fans, POS)

✖ Excludes: Big Deep Freezers (>120L), Microwaves, ACs

THE FUEL ROI MATH & OBJECTIONS

â€¢ **The Fuel Math:** Running a 2.5kVA gen for 6 hours daily burns ~â‚¬5,000/day = â‚¬150,000/month. In 3.5 months, you've burned â‚¬525,000. The PowerBox 1500 complete solar combo (â‚¬500k) is 100% paid off in 100 days!

â€¢ **Top Objection:** "Can I press my clothes with it?"

The Answer: "Yes! Standard 1500W irons will trip it, but Lumey's 300W Inverter Iron (â‚¬20,000) is specially engineered for the 1500 to give you razor-sharp ironing on solar."

MODEL 3: LUMEY POWERBOX 1900

Box: ₦440,000 | Combo: ₦590,000 (+600W Panel)

Specs: 1kW (1,000W / 1.25kVA) Pure Sine Wave Inverter | 1900Wh Lithium Core

Tier: Extended Runtime Household & Shop

Core Sales Angle: "The Long-Weekend Protector â€" 27% Extra Battery Cushion for Towns with 3-Day Blackouts"

â€¢ **Target Audience:** Busy commercial barbershops, high-volume fashion boutiques, and households in areas with prolonged blackouts (Ibadan, Akure, Benin, Osogbo, Ilorin, Abeokuta).

â€¢ **The Deep Psychological Fear:** Running out of battery at 4:00 AM on Sunday morning after a rainy Saturday without enough sunlight.

â€¢ **The Core Proposition:** "Everything you love about our best-selling PowerBox 1500, but with a massive 1900Wh battery and a high-power 600W panel for rapid daytime refilling."

HERO SECTION COPY

Long Weekend? Rainy Days? No Light for 3 Days?

1900Wh of Unbroken Power Keeps You Running.

Upgrade to +27% extra battery capacity and high-speed 600W solar replenishment. Never wonder if your battery will last till daybreak.

If you run a bustling 4-chair barbershop or a tailoring house with 4 electric machines, you can't afford to run dry during peak weekend rush hours. The **Lumey PowerBox 1900** gives you the extra capacity reserve to cruise through heavy load days and overcast weather with zero anxiety.

Order PowerBox 1900 on WhatsApp (07062878273)

LOAD RUNTIME BENCHMARKS

â€¢10004; Table-Top Refrigerator: **Up to 22 Hours** continuous

â€¢10004; 4 Barbershop Clippers + Ring Lights + TV: **12â€"14 Hours**

â€¢10004; 4 Electric Tailoring Machines + Lighting: **10+ Hours**

â€¢10004; 3 Standing Fans + 43" Smart TV: **Full 24 Hours**

â€¢10004; Rapid daytime recharge via 600W Tier-1 Mono Solar Panel

â€¢10006; Excludes: Big Deep Freezers (>120L) & Air Conditioners

WHY BUY 1900 OVER 1500?

For just â‚¬60,000 more on the box (or â‚¬90,000 more on the solar combo), you gain ****400Wh** of extra storage** and upgrade from a 400W panel to a massive ****600W** high-yield monocrystalline panel**. It captures significantly more energy during cloudy or rainy mornings!

MODEL 4: LUMEY POWERBOX 2600

Box: ₦700,000 | Combo: ₦1,000,000 (+2x 600W Panels)

Specs: 2kW (2,000W / 2.5kVA) Pure Sine Wave Inverter | 2600Wh Lithium Core

Tier: Full Kitchen & Deep Freezer Workhorse

Core Sales Angle: "The Food Security Sovereignty â€” Never Watch â‚¬150,000 Worth of Meat & Soup Spoil Again"

â€¢ **Target Audience:** 4 bedroom households, working mothers, frozen food retailers, restaurants, and catering businesses.

â€¢ **The Deep Psychological Fear:** Going to the market to buy â‚¬150k worth of meat, fish, and chicken, only for the transformer to blow for 4 straight days. The freezer defrosts, and rotten smells fill the kitchen.

â€¢ **The Core Proposition:** "Your deep freezer and kitchen appliances need serious wattage. The PowerBox 2600 packs a 2kW pure sine wave engine that carries standard household deep freezers, microwaves, and induction cookers with ease."

HERO SECTION COPY

Deep Freezers, Microwaves & Induction Cookers on Solar.

100% Kitchen Food Sovereignty. Zero Spoilage.

The 2kW (2.5kVA) / 2.6kWh heavyweight that protects your food inventory and powers full household kitchen appliances.

Keeping food cold in your own home shouldn't be an emergency operation involving panicked fuel runs at 10:00 PM. The **Lumey PowerBox 2600** is built for real domestic comfort. Powered by a heavy-duty 2,000W Pure Sine Wave Inverter and a 2.6kWh battery bank, it shrugs off the massive start-up surge of freezer compressors and microwave magnetrons without a flicker.

Order PowerBox 2600 on WhatsApp (07062878273)

HEAVY APPLIANCE CAPABILITIES

✔ Standard Household Deep Freezer (150â€”250W): 18â€”24 Hours

✔ Kitchen Microwave Oven (Up to 1200W): Heat food anytime

✔ Lumey Smart Induction Cooker (Up to 1500W): Flameless cooking

✔ Automatic Washing Machines + 1000W Heavy Blenders

✔ Full Home Entertainment (55" TV, Soundbar, 3 Fans, Laptops)

✖ Excludes: Air Conditioners & Borehole Water Pumping Machines

THE TURNKEY SOLAR SETUP

Bundled with ****2x High-Efficiency 600W Monocrystalline Panels (1,200W Solar Array)****, the PowerBox 2600 functions as a self-sustaining power station. It charges fully in 3 hours of sunlight while simultaneously powering your running deep freezer!

MODEL 5: LUMEY POWERBOX 3100

Box: ₦800,000 | Combo: ₦1,100,000 (+2x 600W Panels)

Specs: 2kW (2,000W / 2.5kVA) Pure Sine Wave Inverter | 3100Wh Lithium Tier: Maximum Kitchen & Commercial Core Backup

Core Sales Angle: "48-Hour Deep Freeze Lockdown & Commercial Kitchen Dominance"

â€¢ **Target Audience:** Large families (4â€"6 bedrooms), commercial restaurants, sports viewing centres, bakeries, and high-inventory frozen food marts.

â€¢ **The Deep Psychological Fear:** Running a commercial kitchen or busy viewing centre where a blackout during peak business hours destroys profits, causes customer walkouts, and spoils tens of kilograms of food.

â€¢ **The Core Proposition:** "Massive 3.1kWh storage bank paired with a 2kW pure sine wave inverter. Keep deep freezers rock-solid through 48 hours of total neighborhood darkness."

HERO SECTION COPY

When Others Sweat Through 48-Hour Blackouts, Your Freezers Stay Ice-Cold & Your Business Thrives.

3,100 Watt-hours of relentless energy storage. Engineered for commercial catering, viewing centres, and large homes.

If you have multiple refrigerators, commercial food blenders, and continuous customer entertainment running, you need deep storage reserves. The **Lumey PowerBox 3100** provides the largest battery bank in our portable series.

Order PowerBox 3100 on WhatsApp (07062878273)

VERIFIED RUNTIME CAPABILITIES

✔ Commercial 250L Deep Freezer: **24 to 28 Hours**

✔ Sports Viewing Centre (65" Commercial TV + 4 Fans): **14+ Hours**

✔ Catering Kitchen (Induction Cooker + Blender + Lights): **10+ Hours**

✔ Multiple Laptops, POS, Security CCTV, WiFi: **Full 48 Hours**

✖ Excludes: Air Conditioners & Borehole Water Pumping Machines

THE VALUE PROPOSITION

For just â‚,100,000 more than the 2600, you add ****500Wh of extra Grade-A storage****. For commercial users, this single difference prevents millions of Naira in spoiled meat, dairy, and cold beverages during extended grid failures.

MODEL 6: LUMEY POWERBOX 4000 (HEAVY DUTY)

**Box: ₦1,550,000 | Combo: ₦2,150,000 (+4x
600W Panels)**

Specs: 4kW (4,000W / 5kVA) Pure Sine Wave Inverter | 4kWh LiFePO4
Core | 5-Year Battery Warranty

Tier: The Inverter AC & Automatic Water
Pumping Gateway

Core Sales Angle: "The Inverter AC & Water Pumping Gateway â€” Luxury Comfort in Total Silence"

â€¢ **Target Audience:** Duplex owners, executive homes, private medical clinics, dental practices, modern offices.

â€¢ **The Deep Psychological Fear:** Paying millions for a beautiful house, yet sweating through the night because running a 5kVA generator for an AC costs â‚¬15,000 every single evening and vibrates the entire bedroom.

â€¢ **The Core Proposition:** "Yes, solar CAN run your 1HPâ€”1.5HP Inverter Air Conditioner and borehole water pump. Built with Grade-A LiFePO4 cells backed by an official 5-Year Warranty."

HERO SECTION COPY

Yes, Solar Can Power Your Air Conditioner & Pumping Machine.

4kW Inverter, 4kWh LiFePO4 Battery & 5-Year Warranty.

Ditch the deafening 5kVA petrol generator. Cool your master bedroom and fill your overhead water tanks in whisper silence.

You worked hard to build a comfortable life. You shouldn't have to choose between burning â‚¬300,000 on generator fuel or sweating in a hot room. The **Lumey PowerBox 4000** enters true residential luxury. Delivering 4,000W continuous output (5kVA surge), it powers ****1 Inverter Air Conditioner**** (day use with panels), water pumping machines, and all household appliances without breaking a sweat.

Order PowerBox 4000 on WhatsApp (07062878273)

HEAVY-DUTY CAPABILITY BREAKDOWN

✔ 1 Inverter Air Conditioner: Day use direct from 4x 600W panels

✔ 1HP Water Pumping Machine: Pumps water effortlessly

✔ Double-Door Refrigerator + Deep Freezer running together

✔ Automatic Washing Machine, Microwave, Full House Lighting & TVs

✔ 5-Year Official Battery Warranty (LiFePO4 3,500+ Cycles)

THE 5-YEAR BATTERY ADVANTAGE

Unlike ordinary inverters using tubular acid batteries that die in 12 months, the PowerBox 4000 uses ****Lithium Iron Phosphate (LiFePO4)**** chemistry. It delivers over 3,500 charge cyclesâ€”lasting ****8 to 10+ years** of daily use******.

MODEL 7: LUMEY POWERBOX 8000 (HEAVY DUTY)

Box: ₦2,000,000 | Combo: ₦2,600,000 (+4x 600W Panels)

Specs: 4kW (4,000W / 5kVA) Pure Sine Wave Inverter | Massive 8kWh LiFePO4 Tier: The All-Night AC & Full Duplex Core | 5-Year Warranty Sovereignty

Core Sales Angle: "The All-Night Chilled Bedroom â€” Extended AC Runtime for Day & Mild Night Comfort"

â€¢ **Target Audience:** Luxury duplex owners, large families, corporate executive suites, medical diagnostics, boutique hotels.

â€¢ **The Deep Psychological Fear:** Having the AC turn off at 2:00 AM because the solar battery ran out of juice, waking up in a pool of sweat.

â€¢ **The Core Proposition:** "Doubled battery storage (8,000 Watt-hours of LiFePO4). Enjoy daytime cooling plus extended nighttime AC comfort in complete silence."

HERO SECTION COPY

Sleep Through The Night In Crisp Air-Conditioned Comfort.

8,000Wh Mega-Storage. Zero Generator Noise.

Doubled LiFePO4 battery capacity. Built for duplexes and luxury residences that refuse to sacrifice comfort to NEPA.

With a massive **8kWh LiFePO4 energy core**, the **Lumey PowerBox 8000** stores enough power to run your 1HP/1.5HP Inverter AC through the sunny day and well into the night, while keeping your deep freezers, borehole pump, and home entertainment fully energized.

Order PowerBox 8000 on WhatsApp (07062878273)

VERIFIED APPLIANCE LOAD

✔ 1 Inverter AC: Extended day use + mild night use

✔ Borehole Water Pumping Machine + Washing Machine

✔ Double-Door Refrigerators + Large Commercial Freezers

✔ Full Estate Perimeter Lighting, CCTV, Home Automation

✔ 5-Year Official Battery Warranty

THE FINANCIAL ROI REALITY

An executive home running a 7.5kVA generator for 8 hours daily spends ~â‚12,000 daily (â‚1360,000 monthly, â‚14.3 Million annually) in fuel and servicing. The PowerBox 8000 combo pays for itself in less than 8 monthsâ€”saving over **â‚15 Million in 5 years**!

MODEL 8: LUMEY POWERBOX 8000 PLUS (FLAGSHIP TITAN)

Box: ₦2,300,000 | Combo: ₦3,200,000 (+6x 600W Panels)

Specs: 8kW (8,000W / 10kVA) Pure Sine Wave Inverter | 8kWh LiFePO4 Core | 6x 600W Solar Panels (3.6kW Array)

Tier: The Commercial & Estate Titan

Core Sales Angle: "Complete Energy Sovereignty" 8kW Pure Power Running 2 Air Conditioners Simultaneously"

â€¢ **Target Audience:** Luxury villas, event centres, private surgical clinics, hotel suites, corporate branch offices, multi-level duplexes.

â€¢ **The Deep Psychological Fear:** Relying on diesel generators that cough black smoke, break down unexpectedly, and cost â‚¬600k+ to fuel monthly.

â€¢ **The Core Proposition:** "The undisputed titan of the Lumey fleet. An immense 8kW (10kVA) continuous output capable of powering 1 or 2 Inverter Air Conditioners, heavy water pumps, and full facility infrastructure."

HERO SECTION COPY

8,000W Inverter Muscle. 10kVA Surge.

Power 2 Inverter ACs, Pumping Machines & Entire Estates.

The flagship powerhouse of the Lumey Energy fleet. Complete off-grid independence backed by a 3,600W rooftop solar array.

When failure is not an option"whether during surgery in a clinic, in a high-turnover luxury hotel, or in a multi-million Naira private estate"the **Lumey PowerBox 8000 Plus** delivers uncompromising power. Delivering an immense 8kW continuous pure sine wave output, it handles multiple high-surge inductive loads at the same time.

Book VIP Engineering Audit (07062878273)

UNMATCHED INDUSTRIAL CAPABILITY
